Dear Mr. Schlitner,

Thank you for having sent the registration form and the action plan to join **the GreenLight Programme as Endorser**. Your organisation is hereby granted the title of **Endorser in GreenLight** and I am proud to welcome you to our network.

As indicated in the Endorsers Guidelines (you can download them at <http://www.eu-greenlight.org/>), we are expecting you to promote the GreenLight Programme. In particular your organisation should:

- disseminate information on the GreenLight Programme;
- encourage companies to become GreenLight Partners;
- aid GreenLight Partners in putting into practice the recommendations of Partner guidelines.

Now a GreenLight Endorser, your organisation is listed on the GreenLight web site at <http://www.eu-greenlight.org> and will be listed among the Endorsers in future GreenLight publications. Please keep me informed about possible changes with regard to contact details.

I hope that this process will bring you recognition for your support and implementation of energy efficiency and that, as a result, we may welcome several new Partners to the programme.

I am looking forward to our collaboration with great enthusiasm and anticipation of success.

If you need further technical assistance, you may consult our web site. Should you have any further questions, please do not hesitate to contact me or your GreenLight National Contact Point (list available on web site).

Yours sincerely,

P. Bertoldi  
GreenLight Programme Manager
